

HL-44 Fiberglass Pole Top Extensions

PRODUCT FEATURES

- Reduces costs.
 - Pole top extension installation costs are much less than the removal and replacement of existing pole.
 - The installation of a pole top reduces the number of personnel and amount of equipment needed to remove a pole.
 - Existing wiring and top equipment can be left untouched.
- Holes drilled to customer specifications.
- State of the art manufacturing technology.
- Stronger than the pole.
- Tens of thousands in service.
- Wide variety of brackets available.
- Excellent weatherability, UV protected.
